

Culture Summit 2020 Speaker Application Questions

Use this document to help you prepare your answers ahead of time prior to submitting your speaker application.

Questions:

- Please share a short bio of yourself
- What is your proposed topic title?
- Please share a brief description of your proposed topic
- How did you come to be an expert on this topic? What type of insights can you share with our community?
- If you have anything you'd like us to review to support your application please upload it here (have files ready if you want to upload anything to share).
- If there are online videos of your previous speaking arrangements, please enter the URL below.
